## COMPANY PROFILE

Guangdong Guose Building Technology Group Co., Ltd is located in Guangzhou City, Guangdong Province. It is a professional steel structure company with trading branches in Australia and Zhaoqing, China. The factory covers an area of 60,000 square meters and has an outdoor exhibition hall of 30,000 square meters. The products are exported to all over the world.

For more than two decades, we have provided OEM services to many international brands in the field of residential construction. Today, Guose has the most complete product series of space capsules, apple cabins, light steel housing products, containers and other product series, including light steel villas, light steel B&Bs, light steel commercial buildings, gas stations, space capsules, apples, etc. cabins, house-boats, container homes, container offices, container restaurants, etc.

All Guose products have obtained ISO certification. Each product will undergo detailed inspection and quality verification before delivery to ensure that the product structure and appearance are intact, and will be packaged to ensure that the product is not damaged during transportation. Our technology is mature, our annual output value reaches hundreds of millions, our prices are competitive, and we have established many high-profile cases in Australia, the United States, the Philippines, Israel, Nigeria and Japan.
